

OFFICIAL RING SIZER GUIDE

Find your perfect fit from the comfort of home

PRINT CALIBRATION INSTRUCTIONS

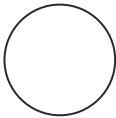

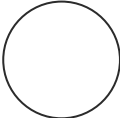

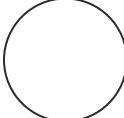

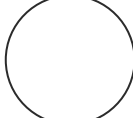

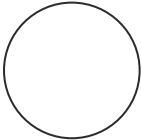

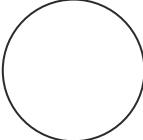

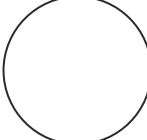

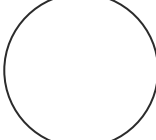

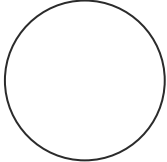

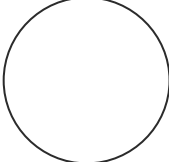

- Prior to printing, ensure that Page Scaling is set to "100%" or "Actual Size" in your print dialog settings. Do not select "Fit to Page".
- Once printed, use a physical ruler to measure the test square below. It must measure exactly 30 mm by 30 mm. If it does not, verify your print settings and try again.

30 mm x 30
mm
(Place coin
here to
verify)

How to use the circles:

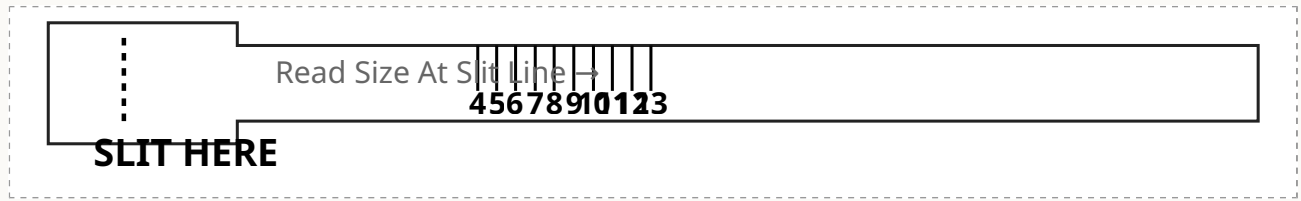

Find a ring that currently fits the intended finger perfectly. Place the ring over the circles below. Match the **inside edge** of your ring with the closest matching circle. If your ring falls between two sizes, we recommend choosing the larger size.

METHOD 1: THE RING CIRCLE MATCHER

 Size 4 14.9 mm	 Size 5 15.7 mm	 Size 6 16.5 mm	 Size 7 17.3 mm
 Size 8 18.2 mm	 Size 9 19.0 mm	 Size 10 19.8 mm	 Size 11 20.6 mm
 Size 12 21.4 mm	 Size 13 22.2 mm		

METHOD 2: PRINTABLE FINGER SIZER STRAP

1. Carefully cut out the sizer strap below. Make a small slit along the vertical dashed line on the left.
2. Wrap the strap around the widest part of your target finger (often the knuckle) with the numbers facing outwards.
3. Thread the pointed end through the slit. Pull it snug but comfortable. The line indicating your size is your measurement.
